Escape the traditional and relish in an exotic celebration of your love. Whether you’re exchanging your vows or celebrating your honeymoon here, you’ll love the Caribbean charm and the familiar feel of the U.S. Virgin Islands. St. Croix, St. John and St. Thomas all operate under U.S. laws, language and currency, but each island also has a flavor all its own.

THREE ISLANDS TO EXPLORE

ST. CROIX
St. Croix’s white sand beaches beckon like hidden gems. European architecture lies around just about every turn of the quaint cobblestone streets. And intimate bed and breakfasts dot the coastline almost as often as picturesque windmills and historic sites do.

ST. JOHN
Just a 15-minute ferry ride from St. Thomas, St. John is the land of luxury resorts, world-class restaurants and gorgeous villas with unrivaled views of turquoise blue waters. The pristine beaches on St. John are a special treat too, as two-thirds of the island is preserved as a national park.

ST. THOMAS
St. Thomas is the energetic and outgoing sister of the bunch with everything from bustling shops, nightclubs, world-class golf and restaurants galore, to parasailing, deep sea fishing and bargain hunting to your heart’s content in a harbor full of duty-free shops, all clustered around top-rated beaches.

Discover the beauty of all three islands. Whether you’re in search of the perfect spot to exchange your vows or want a picturesque view for your honeymoon romance, each island offers you a variety of experiences as individual and romantic as you are.
No one knows what it feels like to be in love better than you. And no one knows what an island wedding is like until they’ve done it themselves.
To make your fairy-tale wedding become a reality, visit www.visitusvi.com and download an application for a marriage license from the Superior Court of the U.S. Virgin Islands. You may also call 340-774-6680 for a wedding on St. Thomas or St. John and 340-778-9750 for a wedding on St. Croix. After the Court receives a completed application, there is a required eight-day waiting period. If either party is divorced, he or she must have a certified copy of the divorce decree or a notarized affidavit stating when the divorce was granted. Additionally, please specify whether the marriage will be performed by a judge in the Court or by a member of the clergy. The combined marriage application and license fee is $200 ($100 for application/$100 for license). If the marriage is to be performed by a judge, there is an additional $200 fee for the ceremony and an appointment is required. Personal checks are not accepted.

ESCAPE STRESS AND EMBRACE EASE

Let go of the overly complicated planning and indulge in the picture-perfect day. Whatever your day entails, the islands are full of experienced planners to help you with every detail. Indoors or out, sunrise or sunset, in a church, on a mountain, aboard a yacht or even underwater, a wedding here is bound to be beautiful. See the helpful wedding checklist and legal information on the next page. Also look for a complete list of wedding planners, vendors and services in the back of this guide.

Let your imagination go wild with possibilities. Pick a quiet dune, secluded cove or palm-laden shore. Altogether, you’ll find more than 87 beautiful beaches to choose from including Magens Bay on St. Thomas and Trunk Bay on St. John, both consistently rated two of the top ten beaches in the world by Condé Nast. And Chenay Bay on St. Croix is one of the best-kept secrets of the Caribbean.
Glide down an aisle of seashells, grace the teak deck of a yacht or stroll the historic path of a sugar mill ruin. Your wedding can take place just about anywhere your imagination takes you. Explore the whitewashed stone and red tiled roofs of some of our oldest houses of worship. Discover harbor after harbor of beautiful boats anchored in deep blue seas. Visit botanical gardens, luxury resorts and natural vistas atop rolling green hilltops. Even plumb the depths of the Caribbean Sea for an underwater ceremony. The possibilities are as romantic and adventurous as you dare to make them.
Exotic, tropical flowers will complete your wedding attire. Experiment with the bright pinks, oranges, reds and whites of island favorites like frangipani, hibiscus and bougainvillea.
